Perfectly Damaged

Organized by Isaac Lyles

June 24 - August 17

Opening reception: June 24, 6 - 8pm

Derek Eller Gallery is pleased to present *Perfectly Damaged*, a group exhibition organized by Isaac Lyles.

Broken and damaged. Stretched, stained, torn, kicked, dragged, cut, burnt, melted, sprayed, shot, and tossed in a blender. The artworks in *Perfectly Damaged* are marred by design; corporeal and wounded; celebratory or muted. These works are born from the collision of creation and decreation—the quickest way to get to the heart of something is to break in.
