

DEREK ELLER GALLERY

North Room: **Whiting Tennis**

March 18 - April 17, 2004

Opening Reception: Thursday, March 18, 6 - 8 pm

Whiting Tennis makes paintings that refer to printed matter (wallpaper, posters, screenprints, etc.). Using paint, newsprint collage, and an array of printing techniques, he constructs picturesque landscapes that are reminiscent of theatrical backdrops and stock photography. His pictures celebrate the universal, hence each unique painting appears familiar and manufactured. Embracing images of old houses, barns, buildings, and trees, he crafts sympathetic pictures that are simultaneously charming and humorous.

Derek Eller Gallery is located at 526 West 25th Street, 2nd floor. Hours are Tuesday - Saturday from 11am - 6pm. For further information or visuals, please contact the gallery at 212.206.6411 or visit www.derekeller.com.
