

DEREK ELLER GALLERY

North Room:

Jon Pestoni

May 27 - June 26, 2004

Opening Reception: Thursday, May 27, 6 - 8 pm

Images of heads, hats, and houseplants are the focus of Jon Pestoni's intimate and uncanny paintings.

His simplified cartoon-like portraits emphasize flatness, yet effectively create pictorial depth and atmosphere.

By combining different methodologies of paint application such as spray, washes, and spills, he creates thoughtful psychological profiles.

Derek Eller Gallery is located at 526 West 25th Street, 2nd floor. Hours are Tuesday - Saturday from 11am - 6pm. For further information or visuals, please contact the gallery at 212.206.6411 or visit www.derekeller.com.
